Year Warranty

On Back & Seat Cushioning and Upholstery Fabrics

Wood frame, spring construction and webbing are warranted to the original buyer free of defects in workmanship and materials under normal usage for 5 years from date of purchase. Cushioning and fabrics are covered for 1 year. This warranty is rendered invalid if the item in question was subjected to misuse, accident, fire, improper cleaning or handling, and unauthorized repair. In no event shall our liability exceed the original cost of the product.

Fairmont Designs covers every upholstered piece with an extensive limited warranty.

Sleeper Mattress

Fairmont Designs warrants all mattresses against loss of resiliency for 1 year. Mattresses will soften with normal use and this is not considered a manufacturing defect. Fairmont Designs warrants the mechanism in the sleeper to be free from defects in material and workmanship for 1 year from the date of purchase.

Fabric & Leather

The manufacturers of upholstery fabric and leathers do not warrant products for wearability or color fading; therefore Fairmont Designs can not assume this responsibility. However, Fairmont Designs does warrant outer coverings to be free of defects and void of seam slippage, fabric separation or nap loss for a period of one year from date of purchase.

Leather is a natural material and, as such, each hide will reflect its own characteristics. Shading variations, nicks, scratches, and wrinkles are natural characteristics of fine leather and are not considered defects.

To obtain service under these warranties, the consumer or retailer must furnish sales receipt of the purchase, showing date purchased and a copy of the law label attached to each piece. Any shipping costs are the consumer's responsibility and must be paid prior to shipment. There will be a \$25 handling fee on any parts ordered under warranty.

We work with leading designers and fabric houses to bring the latest upholstery designs to you. In the process, we exercise great care—from selecting sustainable materials and adhering to the highest construction standards to final delivery from our factories. We hope your purchase will bring many years of satisfactory service and enjoyment.

Reclining Furniture

In addition to the above general warranties, recliners and reclining furniture have the following 1 year warranty:

If a Fairmont Designs mechanism or part fails to perform as warranted under normal use, or is deemed defective by the authorized dealer during the first year from date of purchase, Fairmont Designs will replace the mechanism at no charge; and will also pay an installation fee not to exceed \$75.00. We reserve the right if necessary, to have the mechanism returned to the factory. Fairmont Designs will not be responsible for pick-up or delivery charges incurred by the consumer or authorized dealer.

Power mechanisms, transformers and/or motors carry the same warranty.

All warranties are valid from the date of purchase by original retail purchaser.
