Assembly Instructions

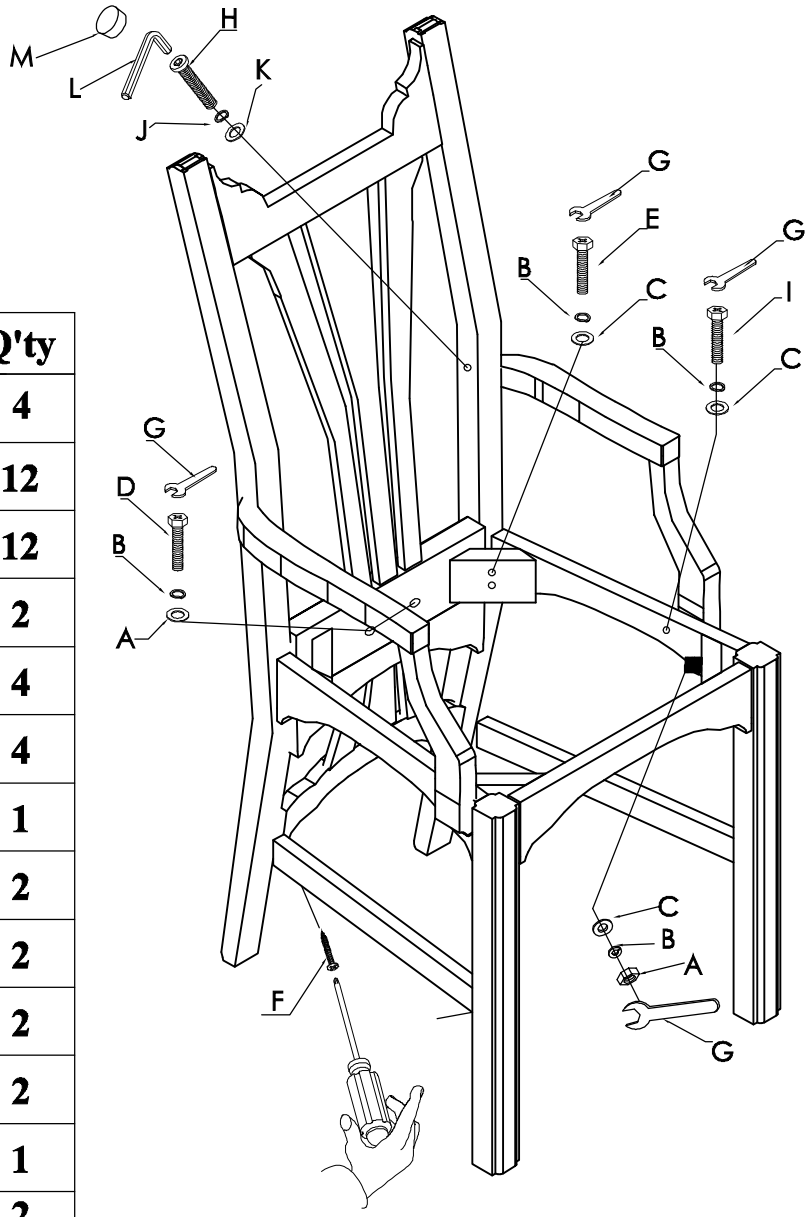

Arm Chair

Model#: 086-435

Thank you for purchasing this quality product.
Be sure to check all packing materials carefully for small parts that may have come loose inside the carton during shipment. Identify and count all parts and compare with the Parts List below.
***Caution: Please read all instructions carefully before starting the assembly process. These items can be cumbersome and heavy for some people. Therefore, the assistance of one or more people is recommended in order to prevent personal injury and insure the items are not damaged during the assembly process.

Please note to carefully check the size of the bolts before assembling this chair/stool. Bolt D is shorter than bolts E. If you attempt to use bolt E in place of bolt D you will damage your chair.
