

ASSEMBLY INSTRUCTIONS

P² Sofa

CARE AND CLEANING

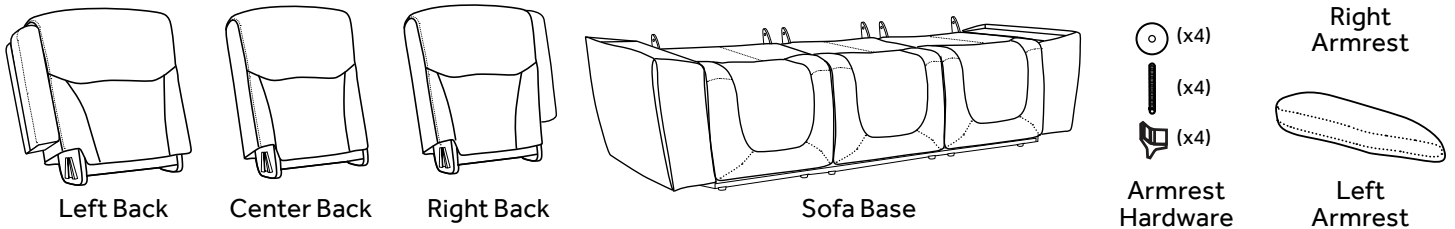

In order to maintain appearance, dust regularly. If a spot occurs, clean area with a damp cloth (**DO NOT RUB**).

If that does not work, use a mild water-based detergent/soap.

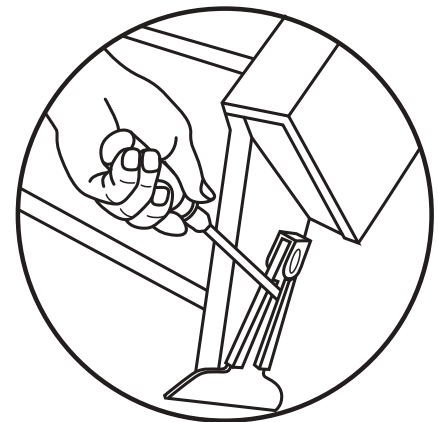

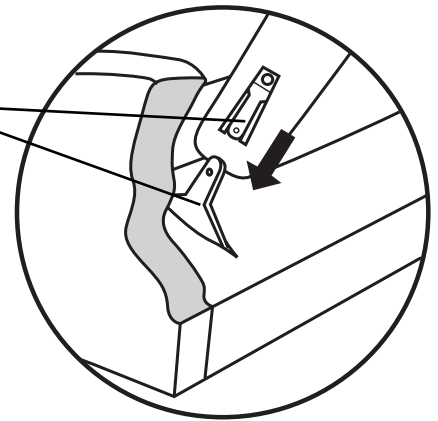

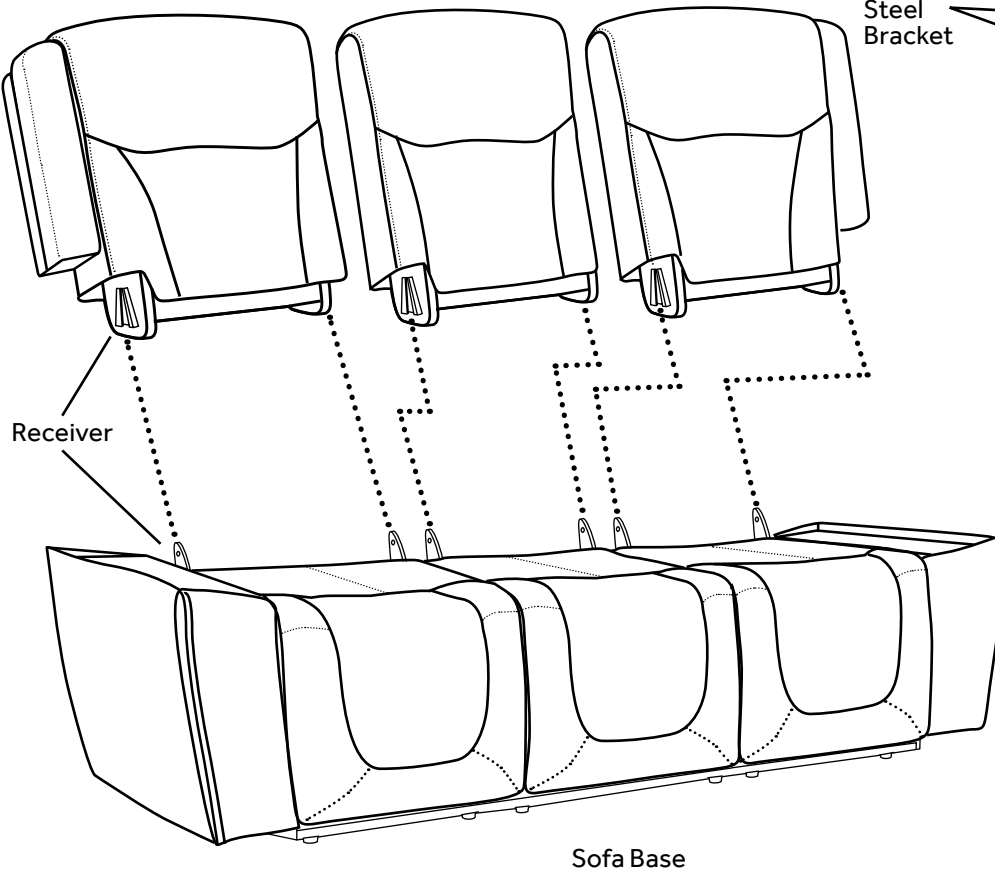

Do not use household or common cleaners may cause damage.

Do not place furniture in direct sunlight may cause fading.

CONTENTS OF CARTON

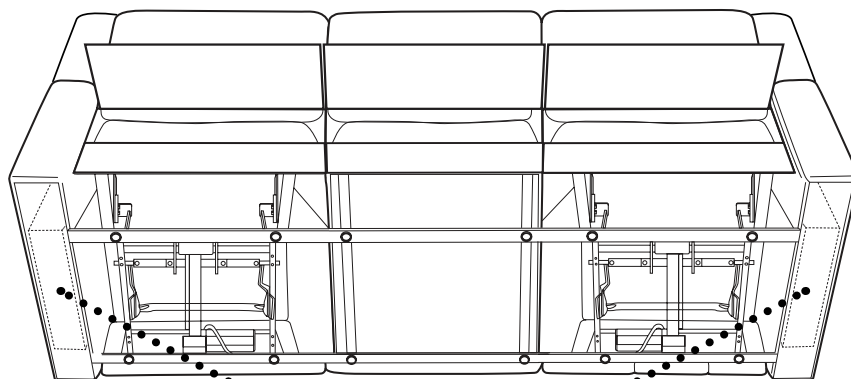

SOFA ASSEMBLY

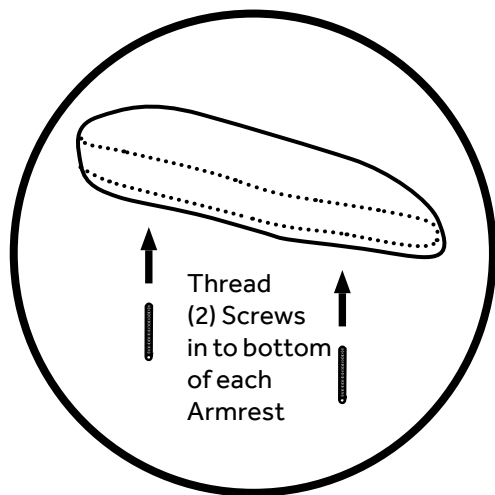

To remove, use a screwdriver pressing outward on the black tab in the metal sleeve on both sides of the furniture.

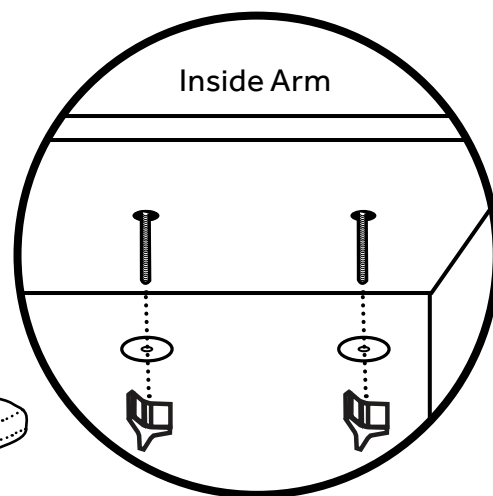

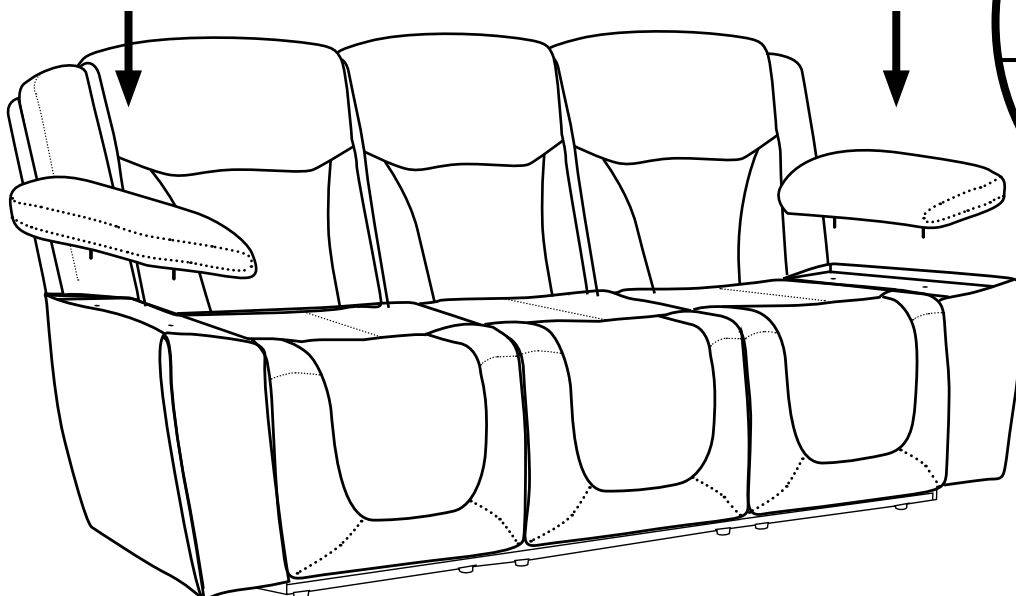

ARMREST ASSEMBLY

Armrest are packed under Arms.
